Lori:

Just located you e-message regarding PDC reporting. Can you tell me what happened to the C1 that we filed last week?

I am filling out the C1 Candidate Registration you sent me electronic, tonight by hand, and dropping it in the mail first thing in the morning. When you get this in the mail, will you then accept our pass words that we submitted last week so I can file my F1 and my Treasurer can file our C3's and C4's?

Thank you for your attention to this matter. I will be at a memorial service in Yakima later Tuesday morning for most of the day. Should you need to talk with me my cell phone is 509-619-9192.

We plan to call you Wednesday morning when I am back in the TriCities to make sure everything is getting set up as required by Washington State law.

Best Regards and again Thanks,

Claude Oliver

Candidate for Benton County Auditor

Mr. Oliver,

I have received your signature authorization for electronically filing campaign contribution and expenditure reports. Your e-filing account cannot be activated until we receive a candidate registration from you as well. A blank form is attached. Please complete it and return by US mail.

Alternatively, you can e-file the registration using the online application found here. If you do e-file, you will be setting up your own account and you will be prompted to print and mail a different signature authorization. We would want you to send us that signed signature authorization, even though you sent us the other one earlier.
