I am sorry to announce that I am going to be terminating my candidacy for City Council district 6. After attending the candidate training session and some long consideration I will do not think that will be about to meet the time requirements to fulfill the needs of the positions. I am sorry for any in convinces this has caused you or will cause. If you have any questions please feel free to contact me at 1-509-248-1117.

With my sincere apologies,
Joe Mann

Dear Mr. Mann:

We have received your notification that you are terminating your campaign. Please note that if you wish to officially withdraw from the campaign you will need to work with the appropriate elections office.

Please fill out the attached form and return it to the PDC either by email or regular mail.

In the meantime, and unless we hear otherwise from you, we will consider your campaign to be inactive as of the date of this email. As an inactive campaign, as long as you do not campaign for election, solicit or accept campaign contributions (monetary or in-kind), make campaign expenditures, or accept the office, you will not be subject to PDC enforcement actions for failing to follow the campaign finance laws in RCW 42.17A.

However, should you change your mind and restart your campaign, or accept the office, you will be subject to PDC enforcement.

Thank you,

--Scott Haley
